

“THE GOSPEL DOESN’T SIMPLY
ALTER OUR RELATIONSHIP WITH
GOD. IT ACTUALLY ALTERS OUR
RELATIONSHIP WITH EVERYONE
AND WITH EVERYTHING.”

OUR HEARTFELT

thanks

Thank you for your partnership in Truth For Life.

It's a privilege to bring the Gospel message of hope and peace to a global audience—particularly during this recent season marked by much uncertainty.

God's faithfulness through our efforts is humbling and widely evident. The number of letters and emails we receive from people expressing gratitude for all you make possible through your prayers and giving is a great encouragement. These letters come from believers around the world who benefit from your support in a far-reaching way.

We think of you daily, pray for you often, and are thankful for you always.

THINGS
WE'RE
WORKING
ON NOW

Website Enhancements

If you use the Truth For Life mobile app, you've noticed numerous enhancements, both visually and functionally. Our team is currently working to make similar updates to the website so that you'll have the same experience both on the app and at truthforlife.org.

Electronic Message of the Month

We've received your ongoing requests for an electronic version of the Message of the Month. We realize many homes and new cars no longer have CD players. Our desire is to offer you the option to receive your Message of the Month electronically. We aim to complete this effort before the end of the year.

Transcripts

When you're online at truthforlife.org, you'll find a transcript of Alistair's message by clicking **Read Transcript** under the player image for the daily program. Our team of editors continues to work on transcript creation for all of Alistair's teaching.

Introducing New People to Truth For Life

Like you, we have a passion to see unbelieving people become committed followers of Jesus Christ. Along these lines, your support helps bring Alistair's teaching to new audiences. Because your generous partnership makes it possible for our books and USBs to be sold at cost, with no markup, we introduce people not connected with the ministry to these low-cost resources. The response is often substantial, and we follow up with a welcome series of introductory information. In 2019, this evangelistic effort introduced 80,000 people to Truth For Life. Thank you for making this possible!

Radio Network

We continually look for opportunities to expand our radio network. With broad coverage across the US, there are still opportunities to improve broadcast times, widen reach across a listening area, and air the program on newly launched stations.

Truth For Life is currently broadcast through 1,900 radio stations and airs 79,000 times each month. If you have a friend in another city and would like to let them know what time and on what station they can hear Truth For Life in their hometown, simply enter their address or city in our Station Finder at truthforlife.org/finder.

Seven chapters that each explore a different description of Christ make this an excellent seven-part study.

Pathway to Freedom

A study of the Ten Commandments
Book and audio series on CD (or free audio online)

This insightful study dives deep into the Ten Commandments and teaches that God's commands are not a ladder to climb but a mirror to help us see ourselves and our need for a Savior. This will make a great twelve-week study.

Pray Big

How to pray big prayers by learning from the apostle Paul
Book

Eight topical chapters drawn from Paul's prayers in the book of Ephesians explore the attributes of prayer and also the things for which we should pray.

A study of unity in the body of Christ
