*By checking the automatic payment box on the front side, I authorize Truth For Life to withdraw the designated amount from my financial institution each month. This authorization remains in effect until Truth For Life receives notification from me of its termination in such time and manner as to afford Truth For Life and my financial institution a reasonable opportunity to act on it. According to the IRS guidelines, gifts to Truth For Life are tax-deductible, less the fair market value of resources (books, CDs, DVDs, etc.) received in return. An annual summary of your giving, including the value of materials received in return, will be mailed to you each January. An audited financial statement for TFL is available upon request. You will receive a year-end tax receipt for your total yearly giving each January.
